Predicted CIBIL Score: 333.61

Risk Level: High Risk (High Risk)

Loan Eligibility: Not eligible for major loans. Consider improving your credit score first.

Recommendations to Improve CIBIL Score:

- Pay your bills on time to improve your payment history.
- Reduce your debt-to-income ratio by lowering outstanding loans.
- Avoid multiple loan applications in a short period.
- Increase your savings and maintain a stable financial history.
- Use a mix of credit types (e.g., secured and unsecured loans).
